

Come join God at work in

Cuenca, Ecuador

Friday through Saturday

June 22-30

Cuenca is a beautiful city in the Andes, filled with beautiful churches where people attend services but don't learn how to have a relationship with God. We will partner with local churches and their members to visit people in their neighbors - family, friends, co-workers, and neighbors. Come along and make a lasting difference in someone's life as well as your own.

The purpose of our trip is to work side-by-side with Ecuadorian Christians to share Christ with their friends and family, to help disciple those new believers and to bring them together to form new churches as they study the Bible and reach out to more people in the city to start even more churches.

While there, we'll see to establish **Small Groups** that become the nucleus of a new church. The groups are made up of new believers or anyone desiring to learn more. They meet around a simple Bible study method that involves reading and listening to Scripture, then answering a set of questions about what it means and how they can apply the truth to their lives.

But I Don't Speak Spanish: We provide each team member with a personal interpreter.

The **estimated cost** of the trip is **\$2,800 per person**, contingent on airfares. That cost is out of Birmingham and may be more or less depending on your city of departure. The total trip cost includes all of the following: airfare, translators, meals, ground transportation, Bibles, training for locals, post-trip follow-up work, support for Ecuadorian e3 staff, supplies, and trip medical insurance.

A \$100 deposit is due at the time you register to reserve your spot on the team. After that, the remaining cost may be funded by you or through your partners for the trip. Trip leaders will equip you in the enlistment of partners for both prayer and financial support.

Ready to sign on? **Visit e3partners.org/Ecuador** and scroll down to Cuenca. The deposit deadline is **March 21** with \$1,000 due (enough to cover the flight) by **April 1** when tickets are purchased. You can sign up on March 24, but would need the funds to purchase tickets deposited that day to guarantee the trip cost.
